Subject: Proposed Sanitary Sewer Project for unsewered areas of
Crooked Stick Estates, Queens Manor, and neighboring parcels

Dear Property Owner:

Clay Township Regional Waste District will hold another neighborhood meeting on **Thursday, August 19, 2009 at 6:00 p.m. at the Clay Township Regional Waste District, 10701 N. College Ave., Indianapolis.** We will review the details of the proposed sewer project, give an update on the bid results, distribute and explain the cost breakdown as figured by the lowest bid, and answer any questions or concerns. For those property owners unable to attend the meeting, this information will be available on the District's web site at www.ctrwd.org.

If the project moves forward, the District would consider awarding the construction contract at their October 11 Board meeting. Construction could then start by late October with substantial completion 90 days after the notice to proceed and final restoration completed in early spring of 2011.

Please contact me at 844-9200 with any questions about the project.

Sincerely,

Ryan Hartman
District Engineer
