Subject: Springmill Streams Low Pressure Sanitary Sewer Project

Dear Property Owner(s):

The construction of the Springmill Streams low pressure sanitary sewer project is now complete. You have ninety (90) days from the receipt of this letter to make payment of the \$2,530.52 construction costs as stated in the attached rate ordinance. You may pay this amount in full or establish a payment plan by scheduling an appointment with Ms. Candy Feltner.

Per the attached connection policy, you will have up to five (5) years to connect to the sanitary sewer. When you wish to connect, a connection permit must be obtained prior to the connection being made to the sewer. The \$100 application fee and \$1,650 Equivalent Dwelling Unit (EDU) fee must be paid with the permit application.

If you have any questions or need additional information, please contact Ms. Feltner in our office at 317-844-9200.

Sincerely,

Ryan Hartman
District Engineer
